

## KAMVIEW COVID POLICIES 2020/2021

\*\*\* Please note that all policies and regulations are subject to change\*\*\*

### Kamview Chalet

## Maximum Capacity inside chalet - 20 guests

Staff and volunteers not included in this number

This number will be monitored by concession staff

**\*\*Maximum indoor capacity when combined with chalet is 50 only\*\***

**\*\*20 in chalet + 30 in The Greenhouse\*\***

### Masks / face covering

- **Masks are mandatory for all guests and all staff**
- Guests unable or unwilling to comply with mask wearing must remain outside chalet and a staff member will help them

### General Chalet

- Entrance / Exit foyer will be divided to avoid contact, loitering or mingling
- Signage on floors to mark physical distancing and directional flow
- All personal belongings must be left in vehicle
- No boots or bags to be left in chalet
- Chalet will have two tables and 20 chairs
- Chairs will be sanitized at least twice a day
- Tables will be sanitized after every use
- Drinking water fountain has been de-commissioned

### Washrooms

- **Maximum of two people in washroom at a time** (unless family)
- All washrooms will remain open and will be sanitized at least twice daily – more as required
- Form to be filled out and signed by staff at each cleaning
- Hand sanitizer stations at all entrances, exits and washroom entrances with accompanying signage
- Changeroom will be closed until further notice
- Showers will be closed until further notice

## Concession

- ***Food and beverage will be Take Out only***
- UNLESS chalet is very quiet (up to staff / management discretion and non-negotiable). In this case contact information will be taken and guests will be requested to leave if chalet gets busy. Masks may be removed while eating at a table.

## Wax Rooms

- **One person in wax room at a time**
- To remain locked at all times when not in use
- Hand sanitizer in rooms and signage on doors
- Guests will obtain key from concession staff and returned immediately after – key will be sanitized after use
- Wax rooms to be sanitized daily (more if busy)

## Rental Rooms / Equipment

- **Rental rooms to remain locked at all times – supervised access only**
- One or two designated staff in wax room at one time (must be wearing mask)
- Maximum FOUR guests in rental rooms at a time (must be wearing masks and must sanitize hands upon entering)
- Boots to be fitted and guest footwear will remain in rental room
- Used skis and poles to be left outside rental room in designated area for sanitization before being replaced in rental fleet
- Boots to be exchanged for guest footwear and sanitized before being replaced on shelf
- There will be a directional In / Out flow on deck outside rentals with appropriate signage
- Staff only inside Snowshoe / Baby Glider rental room - Snowshoes will be distributed to users outside
- Snowshoes must be returned to designated area where they will be sanitized before being replaced in rental room

## The Greenhouse

### **Maximum Capacity inside The Greenhouse - 30 guests**

**Staff and volunteers not included in this number**

This number will be monitored by concession staff

**\*\*Maximum indoor capacity when combined with chalet is 50 only\*\***  
**\*\*20 in chalet + 30 in The Greenhouse\*\***

- The Greenhouse will remain closed when chalet is quiet and only opened for overflow when chalet capacity is getting close to 20. It will be too difficult to monitor with limited staffing ie. weekday mornings
- If there is a separate group (ie. Jackrabbits, Ski in the Schools, 55+) in The Greenhouse, capacity can be designated to that group exclusively and capacity may be up to 46 people
- This number will be monitored by concession staff or by group leaders

## Stadium Tent

### **Maximum Capacity inside tent - 18 guests**

**Staff and volunteers not included in this number**

This number will be monitored by group leaders (eg. Jackrabbits)

- The Stadium Tent is for pre-booked and approved group use only
